

MCAM & ECAM Holiday Reception December 5th, 2024

MCAM and ECAM came together on December 5th to host a festive gathering at KitchenSync in the Exchange District. Over 100 members from both associations attended the event.

Guests enjoyed a variety of hors d'oeuvres from Rae & Jerry's, including spanakopita, mini Yorkshire puddings with beef, and jumbo prawns, accompanied by seasonal cocktails.

The evening featured live music by jazz guitarist Kyle Cobb.

A highlight of the evening was the Wagon & Wine raffle, with Wayne McKenzie being the lucky winner.

The event also showcased *Susie's Shed*, a newly released children's book by Women in Mechanical Contracting. The book aims to engage younger generations and challenge the stereotype that girls don't build.

This joint celebration was a great way to bring the two associations together to mark the end of the year and the holiday season.
